CEF OF GREATER NEW ORLEANS FALL 2021

IDA Interrupts our Intentions

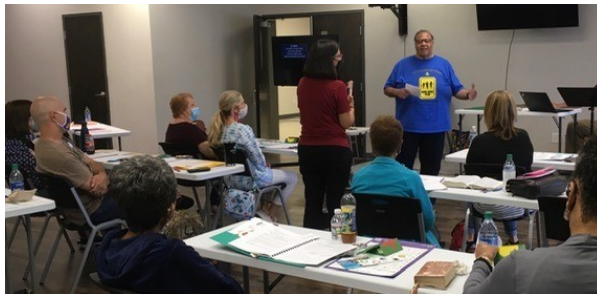

Hurricane Ida had more impact on our house than Hurricane Katrina did 16 years ago. We stayed hunkered down at our house with Don's 95-year-old Mom and a house guest and a generator converted to run on our house's natural gas. A window blew out, several trees were damaged and the wind forced rain through roof vents and several window caulking to wet our walls and insulation. After Don and I labored as lumberjacks in the heat, major help came by way of a Florida Southern Baptist relief team. They were our HEROES with chainsaws for which we are very grateful! It needs to be said: Countless Christian groups have flooded our area with timely HELP! Keep our coastal parishes in prayer! So many homes, businesses and churches were devastated! Needless to say the launch of our fall ministry has been delayed.

encourage one another, be
of one mind, live in peace."*

Thrilled to see the "Claw" take our mountain of tree debris away from our front curb!

We are grateful for the 95 children who came to the Lord as a result of this past ministry year (from Sept. to end of Aug.) We look forward to reaching more children for Christ with your help!

Thank you for your
