and Outreach Program**

June 6-10. 2022

### What is Christian Youth in Action?

CYIA is a program designed to train young people in effective and engaging ways to teach children about God. You will attend a 5-day/ 4-night training camp where you will learn to present the Gospel clearly on a child's level, counsel a child for salvation, and lead a dynamic Bible club ministry for kids.

After training, you will return to your local area and teach clubs at various locations with a team of other young people. These 5-Day Clubs take place in the community with mostly unsaved kids who don't regularly attend church. You will take the light of Jesus to them where they are. Learn more at:
