

## ***Christmas Joy 2021!!***

### ***Child Evangelism Fellowship of Louisiana***

Since 2019 the *CEF of Louisiana* leadership team has been faithfully focused on praying Luke 10:2 where Jesus gave us God's prayer request: ***"The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into His harvest."*** Please join us in praying Luke 10:2 for **more Good New Club workers** to take the message of salvation to the children of Louisiana.

Naturally the pandemic stalled our ability to have in-person clubs and trainings but thanks to technology and creative thinking on the part of many CEF workers, **Good News Clubs and worker training** continued through 2020 and the early parts of 2021 through *ZOOM*.

**Christian Youth in Action Camp 2021** was held at the beginning of the summer ... *in-person*. There were 10 campers trained in how to lead our Summer 5-Day Clubs. This trained summer missionaries team led 35 clubs reaching 514 children across Louisiana.

***CYIA students and staff***

Another highlight of the year was being asked to provide training to campers at Clara Springs **Summer Missions Camp** in Pelican, Louisiana (near Mansfield). During the month of July, the *CEF of Louisiana* team members trained 304 elementary-age children from all over the state to share the Gospel using the Wordless Book Color bracelet. A new CEF program call ***"Go & Tell"*** was used.

***Summer Missions Camp training and Wordless Book Color Bracelets at left for over 300 Louisiana children to "Go & Tell" their families, friends, and classmates.***

Every December we have a special ***Christmas Across Louisiana*** emphasis for children to learn the true meaning of Christmas. Please rejoice with us that **Christmas Party Clubs** around the state are teaching children that Christmas is about ***Jesus!!***

***New Orleans, Louisiana 2021***
